Victor portrayed Elvis for three years in the hit show ELVIS LIVES, the only touring Elvis show officially licensed and endorsed by Graceland. He also portrayed Elvis in the hit show LEGENDS IN CONCERT in their Las Vegas, Hawaii, and Alabama productions. Victor is one of only a few who has mastered all eras of Elvis' musical catalogue, from the exciting electric rock 'n roll of the 1950s to the sultry, bluesy sounds of the 68' Comeback Special wearing all black leather, then finally the iconic record-breaking performances of Elvis' Las Vegas and concert years in the unforgettable jumpsuits. Victor is Elvis' biggest fan and knows there will never be another Elvis Presley. His goal is to recreate the amazing energy, raw passion, and showmanship of the greatest entertainer the world has ever known.
