Join us for a madcap revue with a hysterical, anything-goes, good natured sense of fun. The Little Sisters of Hoboken are in dire financial straits. It seems they must raise enough money to bury the last four of 52 dearly departed nuns who were accidentally poisoned by the convent cook, Sister Julia (Child of God). The five remaining sisters perform with quick paced, comic flair and high-spirited singing. It's an outrageous premise for a long-running hit show that's "sinfully" hilarious and definitely habit forming!
